
The Importance of Books in Human Life

Sadoqat Ergashova

Doctoral student of Alisher Navoi Tashkent State University of Uzbek Language and Literature

Abstract: There is no doubt that the people of the Republic of Uzbekistan have expressed their dissatisfaction with the importance of the mutually beneficial and effective influence of the people of our people, the greatness of the people, the greatness of the people, the lifestyle of the deceased, the fate of the deceased.

Keywords: Human tragedy, legendary gift, pursuit of self-consciousness, William Shakespeare, Human beings.

The human tragedy tends to embarrass, and it is time to celebrate the lifestyle of the day. In every corner of the pyramid, each person has the right to a friendly glamor. No wonder, man is alive and in love with this book. The book of human beings has been subjected to torture, cruelty, treason and treason.

The book of human history is the earliest legendary gift and the invention of ancient history. He manipulated the idea and help of perfection and empathy to perfection. The book is typical of the lady who has been wearing a bouquet and a knife. The book of the spiritual inheritance, the birthday of the mother-of-the-art, is not the same as the authentic book of the Bible.

In this article, the poet, our grandfather, the scientist, Abu Ali ibn Sino was diagnosed with Nuh ibn Mansur, the commander of Bukhara.

Briefly, the perfect human being, has a great deal of human history, the essence of every one of his talents, and he has the right to give it a gift.

Everyone of us has a great book. The pursuit of self-consciousness is deeply sophisticated and the intellectual potential of the elite. Of course, the book, of course, is a book. William Shakespeare booked the following books: "The book of the book of the ladder of the ladder, the critique of the essence of the past, is a distinctive part of the business."

There is also a focus on the market, because of the economics of the market, which is the main reason for the economy, the literary, the spiritual, the moral, the literary works, the essence of the libraries. The book of humanity in general has a moral morality and a sense of humor and pride. No matter what the book is, there is no time limit for the value of the white paper.

Everyone has the right to book a book and find out the facts. So, the moral maturity of the choice. The books of the human beings are the real truths of life. The book was inspired by the spirit of spirituality, the truth of the universe, the eloquence of the dead. Yraching missed the opportunity ... He did not remember all the work he had missed.

Human beings, spirituality, is an important literature. But it does not matter what the food is, but the food, the rhythm and the taste. We consume our energy, our energy, and the strength of the world. The mood seemed so frustrating that the rhythm was overwhelmed.

The first President of Uzbekistan Islam Karimov, President of the Islamic Republic Islam Karimov, was the author of human rights in the literary and literary heritage: "The human being, the spiritual realm of explaining the universe, is an instrument that is the instrument of wrath, the cruel, the cruel art. Human rights activists, poets and critics of the elite have been trying to impose sharp criticisms

on human rights.

Do not you know what kind of people you are talking about or do you talk about? The sublime book, the strangest of all the people around the globe. Warming is a place where everything is simple and simple, simple and straightforward, sincerity and spirituality. Anyone who likes to work in the works of the human being is inspired by the fact that they have been created. Even animals, animal breeding habitats, are also included. The bridegrooms are intelligent, dark, dark orange. So, we got ready for the work done, and we are happy. We are committed to ensuring that we are in the best interest of the regulatory environment.

It's a great way to get the best out of it. Aside from the authors - Abdulla Qodiri, Chulle, Said Ahmad, Gofur Ghulom, Abdulla Qahar, Chingiz Aitmatov, and Ultim Khoshimov are literally thousands of authors. Warming did not even get out of the baths, but each of us has a ten-point clearance.

Life is a matter of crunching events, and we can be very happy to be able to see each other and try to find out. Life is not a book of life. The book is dedicated to the Book of the Day. Asarning puts a page on the subject, with a deep sense of wellness, a warm welcome. Give it to you, please, laugh!

In our view, our work has not been solved yet. We are not supposed to put it on the floor. But in the long run, the life of the world is on our side, and we are in the world of the world. Not all of the noses of the nostrils have been eradicated, but the rhythm of a human being is not a good name, but a true man. At the moment, the bookstore is helpful.

Prohibition of human trafficking is an important aspect of humanity. We have a moral, cultural and literary tradition. Do not hesitate to give up on the benefits of this great education.

This is a widespread knowledge of the whole world, and the condition is almost as cute. Life-enhancing all sectors, reducing misuse of cows in reforms. Therapeuticism, poverty reduction in private business, foreign economies, social partnerships. In fact, we do not even have a lot of luggage that we can not afford. We are learning to be a perfect human beard, and life in our life as an opportunity for us. Our job is to give us the opportunity to be flexible.

Everybody has a lot of stuff. The bridegrooms are intelligent, dark, dark orange. Every piece of work has a lot of fun. It's a great way to get a great deal of human beings. We have a moral, cultural and literary tradition. Do not hesitate to study the essentials of the teachings of the books.

In fact, our writers and our poets have a moral morality, a great deal of value.

The Republic of Uzbekistan's First President I. Karimov, "The Importance of Honor-Spirituality and Honesty" is the most widely illustrated conception of the word "... our people are a sacred record of sacred and sacred literature. This is a great opportunity for us to live in the life of our country, the realization of this aspect of life, the deeper meaning of our work, the deeper meaning of the works, the dignity, and the respect of the dignity.

There is no doubt that the people of the Republic of Uzbekistan have expressed their dissatisfaction with the importance of the mutually beneficial and effective influence of the people of our people, the greatness of the people, the greatness of the people, the lifestyle of the deceased, the fate of the deceased.

Russian Chancellor Anton Chexov said: "Books are a matter of urgency, but not necessarily".

In fact, the books of our books are literal. Unless we have been given the opportunity to lighten the lightning, we have helped to fire the pyramids.
